4. WHAT'S MISSING?

You receive these whispered instructions to the puzzle:

"A letter is missing from each of these words. The definition of the word is beneath it. Use the missing letters to make your four-letter answer word."

H Y - R I D :
a mixture of two or more objects.

M - R C U R Y :
the closest planet in the solar system to the Sun.

A - V I L :
a metal block used by blacksmiths.

H Y - R A :
a nine-headed monster in Greek mythology.

Answer: — — — —

Remember you don't need to crack this code immediately. Take your time, find a quiet moment and have your answers ready by the time you get to the end of your walk. Raise £50 to receive a printed puzzlebook.
